

Hello all NorLand Employees.

As you know NAOSH week is coming up, starting May 7th.

We have a fun project you can do with your kids or grandchildren.

We have created a Norland Safety Man.

- Cut and paste the safety equipment on your safety man or use your imagination and colour or glitter or anything you want to do in the safety equipment.
- Fill out the name, age and business.
- Drop off at the main office with "Janet" in reception before May 7th.
- We will sort them into the NorLand businesses.
- During NAOSH Week (May 7-13) we will have a draw for each business and present your child with a really cool prize.

STARTING CUTTING, PASTING, COLOURING, GLITTER

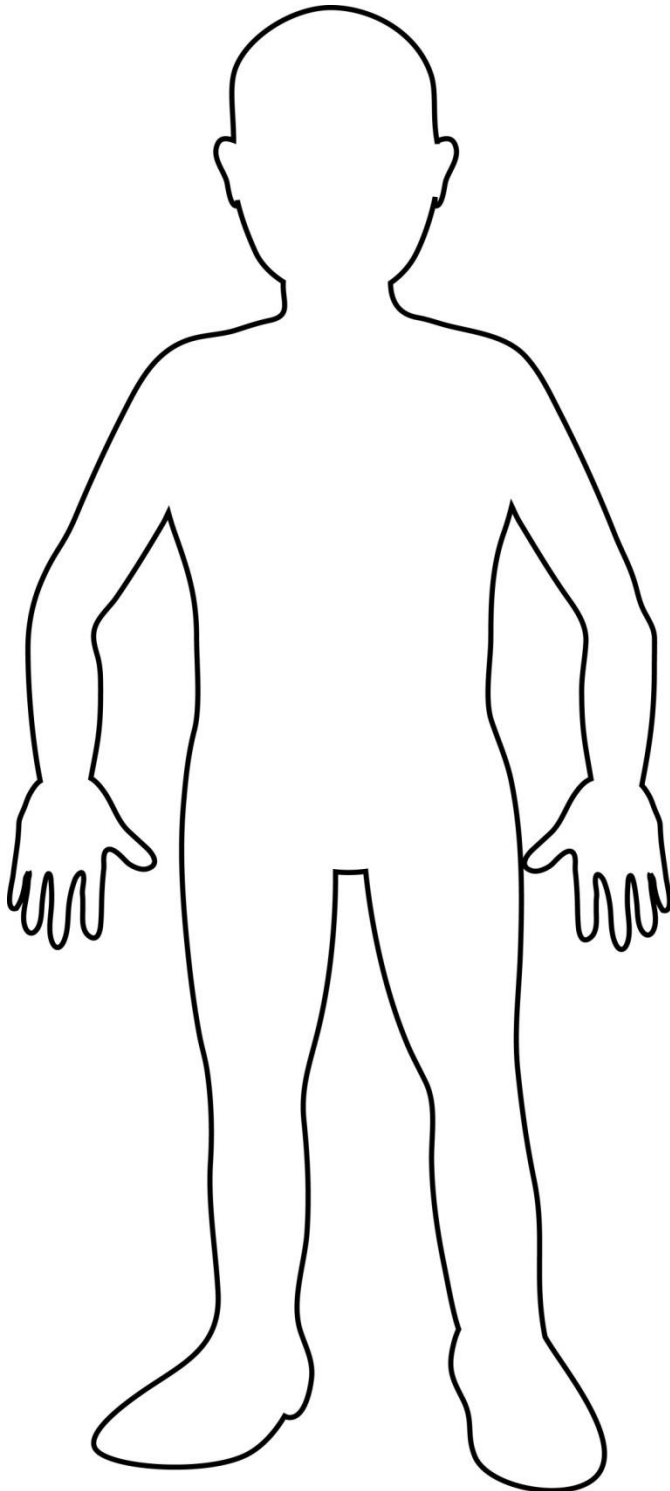

& HAVE FUN!!!!!!
